## About THE DIRECTOR

**Dr. A.K. Srivastava**, an ex-professor, is a renowned academician and educationalist who has served at various academic institutions on senior posts. He has experience of more than 35 years in teaching and as a career counselling consultant. He is a champion in evolving meritocracy with ethical foundations among thousands of students. He is charismatic, a great mentor, an institution builder and genius in academics. His vision continues to guide the **Apex Bio-Institute**.

## About R. P. SINGH

**R.P. Singh**, is the manager of **Apex Bio Institute** who is considered the '**Great Oldman**' of coaching institutions at Prayagraj, He has a vast managerial expertise of 30 years of managing various renowned coaching at Prayagraj. His dedication, sincerity, systematic working and student-friendly approach has been praised by both students and parents. Under his managerial umbrella, the students at large have been beneficiaries of teaching imparted by the coaching institute.

## About J. P. TRIPATHI

**J.P. Tripathi** sir, is a renowned expert of Biology (Botany & Zoology) having experience of more than 25 years of teaching and guiding the students for several medical entrance examinations.

**J.P. Tripathi** sir, is an unmatched academic motivator, mentor and guide to students in Botany and Zoology at Prayagraj and nearby districts.

Students prefer to call him as "**बॉटनी-जूलॉजी सम्राट**" because of his easy techniques and methodology to share indepth knowledge of Bio-science among medical entrance exam aspirants. As a '**Wizard of Botany and Zoology**' under his dynamic guidance, thousands of students have been able to prepare for erstwhile various medical entrance exams and now the NEET.

His teaching methodology and conceptual framework of the NCERT Books has made him unmatched at Prayagraj, so far Botany and Zoology is concerned.

## About OTHER MENTORS

A panel of expert faculties of **Physics** and **Chemistry** is also associated with us, in which all the mentors are well equipped with knowledge, techniques and experience to guide the students for Boards and Medical Entrance Examination (NEET).

## About the **APEX BIO-INSTITUTE**

The need of a vibrant and committed institute for NEET, Foundation (XI-XII) and Pre-foundation (IX-X) courses was realised to provide quality guidance and expertise by renowned and experienced experts at Prayagraj.

In this scenario and because of growing demands of students and parents, **Apex-Bio Institute** has come into existence.

The management of **Apex Bio-Institute** is committed to provide excellent teaching, conducive environment and quality study material based on latest pattern of NTA and CBSE / ISC / UP Board Examinations.

**J.P. Tripathi** sir and his fellow faculty members of **Physics** and **Chemistry** are whole heartily associated with the institute to provide methodological and expert guidance to those who have opted PCB in their 10+2 course as well as to prepare for NEET conducted by the NTA.

Those who are aiming to join medical science from the beginning (IX-X) as Pre-Foundation, (XI-XII) as foundation and exclusively for Medical Entrance Examination (NEET), **Apex Bio-Institute** cordially invites to join the institute as our motto is “**we have shaped career of thousands why not yours**”.

**NOTE :** We have no any other branch of **Apex Bio-Institute** in Prayagraj.

## Latest Examination Pattern

In **National Eligibility Cum Entrance Test (NEET)**, as per latest pattern of NTA, on Pen-Paper mode system, there are 200 questions of Physics, Chemistry, Botany and Zoology ( 50, questions in each subject, divided in Section (A) - 35, Section (B)- 15 questions). Students are supposed to attempt all 35 questions of section - A and any 10 questions from section - B in each subject, thus total 45 questions in each subject and all questions carry 4 marks.

## Why focus more on Biology (Botany & Zoology)?

Biology should not be considered a single subject like Physics and Chemistry, Biology itself includes two subjects – Botany and Zoology. In **NEET** there are 200 questions of Physics, Chemistry, Zoology & Botany (50 questions of each subject) half of the questions i.e. 100 questions from Biology (Botany & Zoology in which only 90 questions have to be attempted) carrying 360 marks. So with conceptual clarity and minimum efforts, maximum can be scored. During the preparation of merit list of Entrance Examination, marks of Biology (Botany & Zoology) are considered first. For SC/ST category students when cut-off is comparatively low, the subject Biology (Botany & Zoology) appears as boon.

## राष्ट्रीय पात्रता सह प्रवेश परीक्षा (NEET) में बायोलॉजी (बॉटनी, जुलोजी) पर विशेष ध्यान क्यों?

NEET में बायोलॉजी को एक विषय नहीं माना गया है। बायोलॉजी में दो विषय, बॉटनी और जुलोजी शामिल हैं। NEET में फिजिक्स, केमिस्ट्री, बॉटनी एवं जुलोजी से 50 - 50 प्रश्न अर्थात कुल 200 प्रश्न पूछे जाते हैं जिनमें से केवल 180 प्रश्नों का उत्तर देना होता है और प्रत्येक प्रश्न 4 अंक का होता है। इस प्रकार बॉटनी, जुलोजी से कुल 90 प्रश्नों के उत्तर देने होते हैं और कुल अंक 360 का होता है। अतः इन दोनों विषयों में स्पष्ट अवधारणा (Conceptual clarity) के साथ कम परिश्रम में अधिकतम अंक अर्जित किये जा सकते हैं। प्रवेश परीक्षा की मेरिट लिस्ट बनाते समय बॉटनी, जुलोजी के अंको को प्राथमिकता दी जाती है। SC/ST श्रेणी के छात्र-छात्राओं के लिए जहाँ मेरिट का कट-ऑफ तुलनात्मक (Comparatively) रूप से कम होता है, बॉटनी, जुलोजी के अंक वरदान सावित होते हैं।

| Physics      | Chemistry    |
|--------------|--------------|
| 180 marks    | 180 marks    |
| 45 questions | 45 questions |

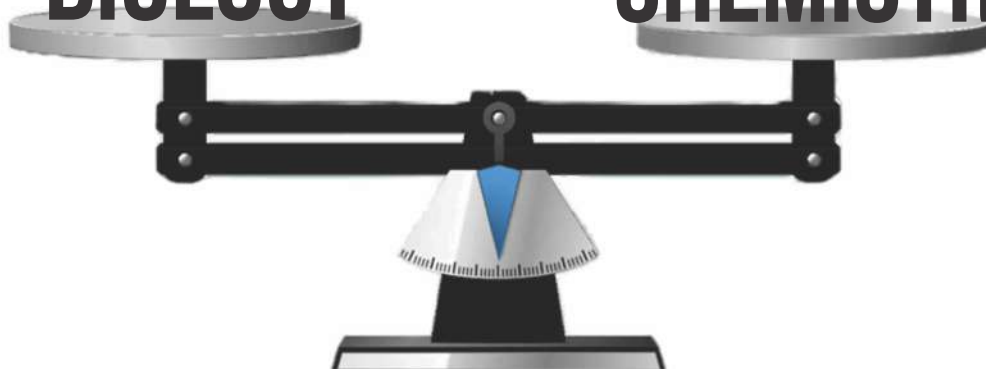

| Botany       | Zoology      |
|--------------|--------------|
| 180 marks    | 180 marks    |
| 45 questions | 45 questions |

clearly, 90 questions are from Biology (Botany and Zoology) carrying 360 marks.

So it has become a popular saying  
'अगर मेडिकल में सलेक्शन लेना है, तो बायोलॉजी  
जे.पी. त्रिपाठी सर से पढ़ना ही होगा'

**BOTANY & ZOOLOGY  
BIOLOGY**

**PHYSICS &  
CHEMISTRY**

## Courses under NEET umbrella

Those who have opted PCB in 10+2 they can make their career in medical science through NEET in the following ten courses-

- MBBS
- BDS
- BAMS
- BUMS
- BHMS
- BNYS (Bachelor in Neuropathy and Yoga Sciences)
- BSMS (Bachelor in Siddh Medicine and Surgery)
- BVSC/AH (Bachelor in Veterinary Science)
- BPT (Bachelor in Physiotherapy)
- B.Sc (Nursing)

Conducted by approximately **15 AIIMS**, **2 JIPMER**, **645 Medical colleges** and **318 Dental colleges**, **914 Ayush colleges** and **47 BVSC colleges** etc.

## Features of APEX BIO-INSTITUTE

1. Adaptive Time table.
2. On daily basis classes of all subjects.
3. The state of the art, AC class room, equipped with projector like all modern facilities and technology.
4. Full time availability of subject experts to give individual attention on each student.
5. Systematic plan to finish the complete syllabus within scheduled time table.
6. Problem sheet of each subject based on every topic.
7. Teaching strictly based on the latest syllabus of NEET.
8. Explanation of each and every line of NCERT books in easyway with indepth conceptual clarity and consistency.
9. To boost the confidence of medical aspirants, emphasis is given on how questions are framed from each and every line of NCERT books.
10. Self study material, topic wise tests, Mock-Tests, to **improve speed and accuracy**, checking by OMR system.
11. Sending test results to parents through SMS.
12. Separate batches for freshers and repeaters.
13. Personalised analysis report and small batches.
14. Special doubt removal class.

**Note : We have no any relations with other institute having name APEX.**
